

Job Title: Journeyperson Millwright

Location: Gibsons, BC

Job Type: Fixed Term Contract

Contract Length: 36 months

Salary: \$50.54 per hour

Shift: Afternoon - 8 hours plus possibility of overtime during the weekends

Job Summary

We are seeking a skilled Millwright to support our plant operations through preventative maintenance, troubleshooting, and equipment repair. This role plays a key part in ensuring the reliability and efficiency of our machinery and overall facility performance.

We welcome applications from Millwright Apprentices who bring hands-on mechanical experience, strong technical aptitude, and a willingness to learn and grow within the role.

This position is a **three-year on-site opportunity located in Gibsons, BC**, and **candidates must be willing to relocate**.

Duties:

- Respond to emergency breakdowns and perform efficient repairs
- Conduct vibration analysis
- Execute the preventative maintenance program
- Troubleshoot equipment and mechanical failures
- Perform laser alignments
- Complete minor welding and fabrication tasks
- Manage parts inventory and maintenance supplies
- Accurately complete QA/QC and preventative maintenance documentation
- Collaborate with and assist other trades
- Perform other duties as assigned to support maintenance operations

Qualifications:

- Certified Millwright (Industrial Mechanic) or equivalent experience
- Millwright Apprentices with relevant industrial or mechanical experience are welcome to apply
- Strong troubleshooting and mechanical diagnostic skills
- Experience with vibration analysis or laser alignment considered an asset
- Basic welding and fabrication skills
- Ability to read technical drawings and manuals
- Strong communication and teamwork
- Commitment to working safely

Note: Only candidates who meet the requirements and pass the screening process will be contacted.
