WORKING FOR COBALT GROUP

Cobalt Group is an industrial contractor of choice; we set the benchmark for service excellence. Safety is an integral part of our company's operating philosophy and is a key component of our overall success. We are committed to the safety and well-being of our employees.

Job Description:

We are seeking a skilled and experienced Journeyperson Carpenter to join our team for a **shutdown project** running from **April 22-26, 2025**. **This is a temporary position.**

Responsibilities:

- Perform carpentry work including installation.
- Perform civil work including concrete form work, finishing concrete, and grouting.
- Read and interpret blueprints, drawings, and specifications.
- Inspect and replace damaged framework or other structures and fixtures.
- Ensure all work is completed to high standards and within project timelines.
- Adhere to all safety protocols and regulations.

Requirements:

- Journeyperson Carpenter certification.
- Proficient in using hand and power tools.
- Ability to read and interpret blueprints and technical drawings.
- Strong attention to detail and problem-solving skills.
- Excellent communication and teamwork abilities.
- Ability to work in a fast-paced environment and meet tight deadlines.
- Must have own tools and personal protective equipment (PPE).

How to Apply:

Interested candidates are invited to submit their resume to [**resumes@cobalt-group.ca**](mailto:resumes@cobalt-group.ca). Please include "**Journeyperson Carpenter - Shutdown Project**" in the subject line.
